BACKGROUND

Cybertech was established in 2009, by Samuel Majaliwa Phiri who is an IT Expert. In 2011, Cybertech was registered in Malawi under the Companies Act No. 19 of 1984 as a limited company by guarantee.

It is also registered with the Office of the Director of Public Procurement as a supplier and services of ICT to the government under the provisions of Public Procurement Act of 2003.

VISION

We see our company and the people who are the foundation of our business achieving their goals and we hope that our passion for ICT and new technology can play a part in creating a better business environment to be recognized as one of the best ICT services provider to the industry and in the process create a team, where each member is a partner in growth and is proud to be associated with the company.

We will strive to archive this through our innovative and quality focused strategies in Technology, Business Development, Consulting and Business Service.

MISSION

Our mission is to provide the best possible ICT solutions of the highest quality, helping companies grow and expand within their market, we want their success to be our success.

To deliver cost effective value propositions to our customers through our expertise in end to end ICT, development and out sourcing solutions.

We will strive to archive this through our innovative and quality focused strategies in Technology, Business Development, Consulting and Business Service.

VALUES

In a competitive business world, a set of developed values are a crucial mainstay of our company philosophy. We base our relationship on trust and aim to act fairly and ethically at all times.

RECOGNISED

Cybertech, with the passing of time, has the prestige of being one of the best ICT services provider in Malawi and neighbouring countries.

CREDIBILITY

Cybertech is a highly credible and trusty-worthy company and customers are very much assured that they shall get the best quality of product and service for their money and time spent on Cybertech.

The Company has a dedicated and skilled workforce, the management team is very experienced and versatile in their fields.

CAPACITY
